Welcome

Thank you for choosing Protectmybike.co.uk to insure **your bicycle(s)** and welcome.

We want to ensure **you** understand **your bicycle** insurance policy and legally **we** need to make **you** aware that the information **you** have provided to **us** forms the basis of **your** insurance contract with **us**. The cover is set out below with the details of what is and is not covered under each section.

Your policy and **schedule** are evidence of that contract so please read them carefully to ensure that the policy meets **your** needs, that all details are correct, and keep them in a safe place.

Your insurance is an annual policy and cover lasts for 12 months from the **commencement date** and will be shown on **your** policy **schedule**. The policy can either be paid in full at the time of purchase or can be paid monthly.

We have tried to make this document easy to read. However, **we** have still had to use some words that have a special meaning - these are explained in the 'Definitions' section below. Wherever a word with a special meaning is used it will be in **bold** type.

Depending on which aspects of cover **you** have selected, the insurance can provide **you** with the following cover:

-  if **your bicycle, bike box, bike accessories** or personal possessions are stolen, or they have been damaged accidentally;
-  if **you** suffer **bodily injury** following an accident whilst riding, mounting onto or dismounting from **your bike**;
-  if **you** become legally liable to pay compensation as a result of causing someone's death or **bodily injury** or illness, or damaging someone's property, whilst using **your bike**.

If **you** are paying **your** premium by monthly instalments and a claim is made or is pending **you** must continue to pay the monthly instalments until the premium is paid in full or alternatively **we** reserve the right to deduct the remaining premium due for the **period of insurance** from any claim paid.
2. **You** must provide upon request proof of ownership and proof of purchase in the event of a claim.
3. It is important that **you** provide as much information and assistance as **we** may require so that **we** can ensure **you** receive a speedy resolution to **your** claim.
4. If **you** suffer **bodily injury** as a result of an accident whilst riding on, mounting or dismounting from **your bicycle you** should contact **us** as soon as possible and no later than 28 days from the date of the accident.
 - a. Where necessary **we** will arrange for someone to call **you** as soon as possible to discuss **your bodily injury** claim.
 - b. It is important that after the occurrence of any **bodily injury you** must obtain and follow the advice of a doctor
5. If **your bicycle** is stolen or **vandalism** is suspected, **you** must inform the police as soon as possible and obtain a crime reference number.
6. In respect of public liability claims please tell **us** in writing as soon as possible if someone is holding **you** responsible for damage to their property or **bodily injury** to them. **We** will ask **you** to send **us** any correspondence, claim, writ or summons as soon as **you** receive it. **You** must not negotiate, pay, settle, admit or deny any claim without **our** written permission. **We** will also need **you** to notify **us** in writing of any impending criminal prosecution, inquest or fatal accident enquiry.
7. **You** must supply at **your** own expense full details of the claim in writing together with any supporting information including but not limited to, police reports, medical reports, damage assessments, evidence and proofs of ownership.
8. Where the damage to the **bicycle** is beyond economical repair and the **insurer** replaces it, the damaged **bicycle** becomes the property of the insurer. **We** have the right to take and keep possession of any part or all of the **bicycle** or **accessories** and to deal with the salvage in a reasonable manner but **you** should not abandon any **bicycle** to **us**.

However, if **you** are able to obtain the same repair or replacement from **your** local or preferred dealer or distributor at the same price that **we** are able to obtain from **our** trade sources, and if the dealer or distributor is willing to invoice **us** directly, then **we** will be happy to accommodate **your** requirements or wishes.
5. If **we** do not replace or repair the **bicycle** **we** will pay for loss or damage by means of a voucher or cash settlement.
6. If **we** pay the total **Insured Value** for the bicycles and **accessories**, **we** will then have the right to take possession of such property and dispose of it as **we** deem appropriate. Any proceeds from such disposal will belong to **us**.

Subrogation

If a third party is believed to be responsible for any claim, **we** may take over, defend or settle the claim, or take up any claim in **your** name for **our** own benefit. This is called exercising **our** right of subrogation. **You** must provide **us** with all the help and information **we** require for the purpose of exercising this right of subrogation. **You** will not take action or make any agreements that may weaken or remove **our** rights under this clause without **our** prior written permission. **We** will pay any costs or expenses involved in exercising **our** right of subrogation.
